## Course Description

This whole day conference will introduce the "Future of Nursing" initiative. The topic will challenge nurses from their comfort zones to explore and heighten their awareness of the various changes in healthcare and how it had impact on their practice. Patient care quality and safety, identifying cultural barriers to achieve and lessons learned when health care hits home will also be presented.

Behavioral Objectives: After this conference, the participants will be able to:

1. List cultural barriers that can impede towards attaining professional goals
2. Discuss the recommendations of the Future of Nursing initiative
3. Describe Quality and Safety Education for Nurses (QSEN).
4. Discuss ways and methods to maintain quality and patient safety
5. List strategies to for the healthcare giver when caring for immediate family
6. Describe the magnet journey

### Driving Directions to Conference:
